

Vista gift certificates are now available for purchase!

Here's what you need to know!

- Vista gift certificates may be used towards participating in Vista-supported activities, clubs and trips
- Vista gift certificates can be purchased in any denomination over the minimum purchase price of \$20
 - Vista gift certificates are a great gift for the holiday season, birthdays and more!

Students/members will be provided a paper certificate with an attached tracking form to maintain running balances. As always, we will use this system as a training opportunity (money management) for students/members. However, we certainly have monitoring systems in place to document and track usage in the event that a certificate is misplaced.

To order, simply print the form on the next page and fill out the requested information.

Your numbered certificate will be mailed to the address you specify below with a personal note if you choose.
